Give a Powerful Present, Give ‘Watt Matters’

This holiday season, avoid the hustle and bustle and give a gift that will truly light someone’s life. With United Power’s new Watt Matters program, it’s easy to help a friend or relative with their electric bill—a holiday gift that can really make a difference.

This year, give Watt Matters to all the United Power members on your list in $5 increments.

Fill out the form below and return it, along with your payment, to United Power and we’ll handle the rest.

- When you give Watt Matters, the recipient’s electric account will be credited in the amount of your gift.
- You will receive confirmation from United Power that your gift amount was credited to your recipient’s electric account.
- The recipient will receive a confirmation listing your name and amount of your Watt Matters gift. If you would like to remain anonymous, please indicate that on the Watt Matters giving form.

For more information, or to give a Watt Matters gift over the phone, please call 303-637-1300.
